

Traditions Golf

CAMELOT • WEST BEND LAKES • HORICON HILLS

March 25, 2020

To all our golfers, family and friends,

As of 8:00 am, our golf courses have been temporarily closed pursuant to Executive Order No. 12 "Safer at Home" initiative by Governor Evers. This Executive Order is in effect until April 24, 2020, or until another order supersedes it.

Our wish is for everyone to remain safe and healthy and for this pandemic to conclude in the very near future. We encourage everyone to follow the "Safer at Home" Executive Order - even if you think it may not pertain to you. The health of yourself, your family, friends and neighbors depends on each of us doing our part to stop the spread of this pandemic.

Traditions Golf - namely The Golf Club at Camelot, West Bend Lakes Golf Club and Horicon Hills Golf Club - will be sending out emails periodically, posting to our Facebook pages and updating our websites as things progress. Encourage friends that have not received this email to sign up on our websites as part of our EClub to stay up to date on information.

Traditions Golf cares about everyone's safety and believes it is the most important thing at this time.

We offer each of you our emails below to contact us if you have any questions or just need someone to chat with about the current situation as it relates to the golf world as we know it.

Under the new Order, carryout food will still be allowed to continue. The Golf Club at Camelot will be continuing this option for your Friday Night Fish Fry at this time. West Bend Lakes and Horicon Hills have suspended their Friday Night Fish Fry until further notice.

If you have any questions, please feel free to contact us by phone or email.

Thank you for your continued support.

Wishing you health and safety,

Traditions Golf
