

Welcome Back to The
2nd Annual Troops First Foundation Golf Outing

Troops First Foundation (<http://www.troopsfirstfoundation.org/>) founded by Rick Kell in 2008 is a nonprofit organization whose goal is to provide meaningful assistance to **Combat Wounded Veterans from Our United States Military**.

As a reminder to you, these 4 Amazing Programs are:

Operation Proper Exit (<http://www.troopsfirstfoundation.org/initiatives/operation-proper-exit>)

The Veteran travels back to the combat area where their original injuries occurred.

By doing this it **“Provides a measure of Closure to the Veteran”** as it allows them to witness firsthand the progress made in Iraq and Afghanistan.

The Leroy Petry Village of Honor: <http://www.troopsfirstfoundation.org/initiatives/leroy-petry-village-of-honor> - **Free housing for the families of Veterans being treated** at Walter Reed National Medical Center.

Warrior Call <http://www.troopsfirstfoundation.org/initiatives/operation-warrior-call>

This encourages service members to “Reach Out to fellow Warriors, hoping to connect to those in need and help reduce **the staggering statistic of 22 Veterans committing suicide each and every day in the United States.**”

24/7 Battle Buddies - <http://www.troopsfirstfoundation.org/article/24-7-battle-buddies>

This program trains and matches Canines to assist combat wounded veterans.
Each Canine is carefully selected for the Warrior and trained to their Specific needs.

Your continual support is greatly appreciated.
